WELCOME!

The Oakland Schools Technical Campuses (“OSTC”) offer unique environments that provide the best structure possible for you to receive the technical, academic, and workplace skills necessary to pursue your career pathway. You will notice a number of differences between OSTC and most other schools. These differences include the following:

Programs

Our educational and training opportunities are structured within offerings we call programs. These programs are developed around broad occupational areas and contain many different but related career training options for students. These programs are staffed by a team of specialized instructors who possess both a Michigan Teaching Certificate and Vocational Authorization. This ensures that the instructional team has both the technical expertise and the knowledge of best instructional methodologies. These instructional teams are supported by or include academic staff. The programs are designed to facilitate learning, not just deliver a sequence of instruction. This allows the student to better manage his/her instruction plan, work cooperatively with other students and progress at his/her own pace. Programs allow OSTC to provide the highest level of curriculum, meet the needs of a diverse student population and maintain the highest level of quality possible.

ACADEMIC COURSE OFFERINGS

Students can receive math and science academic credit as part of their OSTC curriculum. These courses are delivered using the collaborative teaching model of highly qualified academic instructors and highly qualified Career Technical Education (“CTE”) instructors’ right in your career program. This additional academic credit must be requested by the student through his/her high school counselor.

All OSTC offer Algebra 2 and 12th grade English which are taught separate from the programs experience by highly qualified instructors. (Please note: If you enroll in these courses, you will have less time in your program experience.)

AdvancED

Oakland Schools and the four OSTC are accredited through AdvancED which is the global parent organization of several of the larger US-based accreditation agencies. AdvancED brings together more than 100 years of experience and expertise in school accreditation and serves more than 27,000 public and private schools and districts across the United States and 69 countries, encompassing more than 15 million students.

The Michigan AdvancED works closely with the State of Michigan to coexist with its accreditation and school improvement policies. The AdvancED accreditation process is a comprehensive program supported by research-based standards designed to help schools, districts, and education providers continuously improve. For more information about AdvancED, visit: www.advanc-ed.org.

Direct Engagement of the Business Community, Colleges and Universities

OSTC is directly engaged with hundreds of regional businesses in Oakland County and advisory committees for curriculum and instruction that provide: sharing of technology, training opportunities for students in the workplace, sponsorship of student organizations, donations, mentors, coaches, alignment of training programs that may provide advanced placement opportunities; and national licensing and/or certification for students. Due to these relationships, students will be directly involved with technical and professional level experts in the classroom and field throughout the year.

ADMINISTRATION AND SERVICES

Administrative Office

All visitors of OSTC must report to the administrative office (“OSTC Main Office”) upon entering the building to sign-in and sign-out prior to leaving. OSTC Main Office hours are 7:00 AM to 4:00 PM during the school year. Hours may be adjusted to accommodate after-hours enrichment activities and programs. Please refer to [Oakland Schools’ Policy and Administrative Rule 9400](#) for detailed information concerning visitors of an OSTC.

Student Support Team

OSTC’s counselor, social worker, special population consultant and the school to career coordinator (“Student Support Team”) are available for counseling, school-to-career experiences, learning resources, assessment, and other essential services.

- **Counseling/career guidance** - OSTC staff provides support to students, coordinates resources and services such as educational planning, career planning, and/or support for issues or challenges. Students should contact their Student Support Team for these services.
- **Academic support** - Academic support, remediation or advanced levels of study are available to students. Students may be referred for service by their OSTC instructor, counselor, sending school counselor or other sending school support person.
- **Testing, licensing and certification** - Oakland Schools and OSTC operate Prometric Testing Centers at each OSTC. OSTC provide the testing necessary for national, international, and state licensing and certification in all occupational areas. In most cases, initial testing is free to OSTC students.

SCHOOL-TO-CAREER OPPORTUNITIES

Work-based Learning

Paid and unpaid Work-based Learning opportunities (“WBL”) are available to students through OSTC who meet qualification requirements (interest, technical knowledge and skills, attendance, and behavior).

Paid opportunities – Field experience, Internship, School-to-Registered Apprenticeship, Cooperative education (Provided by sending high school).

Unpaid opportunities – Job Shadowing, Coaching, Mentorship, and Externships.

Students on a WBL placement are expected to maintain a “C” or better average in class, attend and perform job duties as outlined in the Training Agreement & Training Plan, and turn in time sheets weekly. Failure to remain in compliance with the job duties as outlined in the Training Agreement & Training Plan may cause suspension and/or termination of the Training Agreement.

Students participating in WBL must have both a signed Training Agreement and Training Plan. These documents require the signatures of the Dean, employer, parent/legal guardian (“Parent”) and Student.

Students cannot receive placement in a WBL until all required applications, approvals, consent procedures, and documents are completed.

Transportation to and from a WBL site shall be the responsibility of the student and Parent (documented in the Training Agreement). Students driving to and from WBL sites are expected to have dependable transportation, a valid driver’s license, a good driving record, and current automobile insurance. The mode of transportation, beginning and ending travel locations, and who will provide transportation must be documented in the Training Agreement.

OSTC WBL is designed to provide the student the experience of preparing for a career; however, no guarantee of employment is promised upon completion.

Student Leadership Experiences

OSTC provide students with a variety of leadership and competitive experiences with state and nationally approved student professional organizations. OSTC also participates in technical skill competitions and industry-based professional organization events including Skills USA, Business Professional Association (BPA), National FFA Organization (FFA), Health Occupation Student Association (HOSA), For Inspiration and Recognition of Science and Technology (FIRST), Prostart, Oakland County Competitive Robotics Association (OCCRA), and the National Technical Honors Society (NTHS).

Grades, Credit, Certificates and Certification

Students who attend OSTC have the opportunity to earn a letter grade, a listing of achieved technical competencies, high school credit, certificates, and may qualify for college credit. Additionally, students may earn occupational certification/licensing from state and national organizations or agencies.

Career-ready Habits

Career Ready Habits are a set of generic behaviors and aptitudes applicable to all programs and career options. These Career Ready Habits are developed through observation, evaluation, and feedback to the student. Student assessments are completed and documented on an ongoing basis through a web-based application that allows review by both students and Parents.

Career Ready Habits' evaluation is part of the grading process and is computed as 30% of the student grade (e.g., punctuality, dependability, professionalism, etc.) by their instructors.

Make-up Work

It is the student's responsibility to obtain make-up work and timelines for completion from the instructor when he/she is absent from OSTC. Missed tests or assignments scheduled with the student prior to the absence must be completed on the day of return to school, under the student's individual plan, or at the instructor's discretion.

Grades

Grades are based on demonstration of technical knowledge, academic and Career Ready Habits (70%) and work habits (30%). Course credit is recommended when a student earns a passing grade (A, B, C, D) for the final mark in a course.

A student can experience a grade reduction by receiving a series of poor knowledge and work habit evaluations. Evaluations are issued by the instructor and are based on effort, amount and accuracy of work completed and behavior.

Credit

OSTC will recommend high school credit for students based on the local district requirement (generally 1½ credits per semester/1 credit per trimester) upon successful completion of the program requirements. All recommended credits will be compiled by sending school districts for graduation requirements. Articulated and direct credits for college courses may be available based on agreements with many post-secondary institutions. Credit awards for students will be based on student achievement and the agreement with the particular post-secondary institution.

Incompletes

In extenuating circumstances, a student may receive a grade of “incomplete” for a marking period. In these cases a student will be allowed to complete unfinished work (within an agreed upon timeline) and be re-issued a grade for the marking period. In these cases the student will be informed of the specific work requirements and the timeline for submitting the completed work.

Skill-based Certificate

Students may qualify for a Certificate of National Skills Standards.

A National Skills Standard Certificate signifies that the student has demonstrated competency in all performance skill standards related to National Skill Standards, licensing and/or certification requirements. This includes the successful completion of any national industry-based evaluations.

GENERAL INFORMATION

Security Cameras and Electronic Monitoring

The District recognizes it must balance the rights of personal privacy with its duty to provide a safe environment to learn and work and its responsibility to safeguard district property and equipment.

Uses of Security Cameras

Use of security cameras may occur in any district building or on any district property for non-instructional purposes:

- To monitor and protect district property;
- To foster the safety and security of employees, students, and visitors while at work or participating in school functions; and
- To assist with investigations.

Security cameras shall not be used in areas where there is a reasonable expectation of privacy such as locker rooms and restrooms, unless such placement is permitted by law and deemed necessary by the Superintendent to protect the safety of employees, students, visitors and district property.

The Board authorizes the Superintendent to install monitors in locations that may be accessible to public viewing for the purpose of monitoring live video feed from security cameras. Please refer to [Oakland Schools Policy and Administrative Rule 4115 – Security Cameras and Electronic Monitoring](#).

Student Transportation to/from OSTC

Students may choose the bus services provided by their sending school district or provide their own transportation. It is the student's responsibility to make sure he/she arrives on time to ride the bus. The normal courtesy expected on any commercial bus is expected on school buses. Bus riding is a privilege and the privilege to ride the bus may be revoked if the student violates the rules and regulations for bus riders as specified by their sending school district.

Students who ride the bus will not be penalized if their bus arrives after the start of class, but students providing their own transportation will be marked tardy when arriving late. Students are encouraged to use the transportation services provided by their sending school district.

Students who elect to drive their personal motorized vehicle (Vehicle) to OSTC shall assume all responsibilities connected with transportation. If a student elects to drive, the student must have on file with the District a Student Driving/Parking Agreement Form signed by Parent. A \$5.00 fee is required prior to the issuance of the parking permit for their vehicle.

Rules governing the use of Vehicles by students shall include but not limited to:

1. The student driving the Vehicle must hold a valid driver's license.
2. The Vehicle is currently registered.
3. The student driving is insured under a motor vehicle liability insurance policy.

4. The student driven Vehicle is registered with the OSTC Main Office.
5. The District parking permit issued to the student must be prominently displayed per OSTC instruction.
6. The student shall comply with the established speed limit at all times.
7. The student shall only park in areas designated for students.
8. Change in license numbers or vehicles shall be reported by the student to OSTC Main Office upon arrival to OSTC.
9. Students shall immediately report all Vehicle accidents occurring on OSTC premises to the Dean or OSTC Main Office.
10. The student-operated Vehicle may be subject to searches if reasonable suspicion indicates that the Vehicle may contain items in accordance with the District's [Policy and Administrative Rule 8130 - Searches of Motorized Vehicles, Lockers](#) and random canine detection.

Violations of this Board policy or administrative rule may result in disciplinary action pursuant to the Student Code of Conduct and/or suspension or revocation of driving privileges. Any student who parks in violation of Board policy does so at the risk of having his/her Vehicle towed away.

Dress Code and Safety Requirements

The style and manner in which a student dresses while attending OSTC shall be the responsibility of the student and Parent. Dress requirements may be imposed where safety issues dictate an appropriate type of dress in the classroom. The Dean or Student Support Team maintains the right to impose restrictions on student dress.

- Students are not to wear clothing disruptive to the educational process or offensive to others. This includes clothing which has language, pictures, slogans, or designs which are: obscene, profane, lewd, vulgar, harassing, threatening, intimidating or which advertise illegal substances; or clothing that is tight and/or revealing, short shorts, pajama pants, or flip flops. (The final interpretation will be left to the Dean). If such clothing is worn to school, students will be required to change or cover or turn said clothing inside out. Continued violation of the dress code will constitute insubordination and may result in the students not being allowed to attend class until student has complied.
- Students will be expected to make modifications if the style of dress or grooming is detrimental to the health, safety and welfare of the student or others, or the apparel is of the type which may cause physical damage to the school plant or equipment. Any jewelry or clothing that poses a threat to student safety will not be allowed.

- Students are not to wear hats, head gear, coats or jackets in class, or in the hallway during the class period unless warranted by the room condition and/or medical condition.

Many programs have specific dress codes that are enforced by the instructors based on health, safety factors, and/or employment expectations. It is expected students who are enrolled in a program of this nature will comply with the dress code, uniform requirements and safety procedures for that program. Students may be required to wear safety glasses, uniforms, shop coats, hard-soled or safety shoes, protective aprons, or other types of safety attire for their protection.

Each instructor will determine specific dress requirements for the health and safety of the students enrolled in the cluster.

Service Animal

A qualified student with a disability has the right to be accompanied on District property or to District-sponsored programs and activities by a service animal specially trained for an individual with a disability subject to compliance with these administrative rules. A service animal means any dog individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Service animals do not include any other species of animal, whether wild or domestic, trained or untrained.

Exclusion of animals for comfort or criminal deterrent - Animals whose sole function is to provide emotional support, well-being, comfort, companionship or therapeutic benefits or to act as a crime deterrent are not service animals for the purposes of this Oakland Schools Board [Policy and Administrative Rule 7485 – Inclusions of Animals in Instructional Programs](#).

Request to use a Service Animal - The student and/or the student's Parent are requested to notify the Dean at least ten (10) school days prior to the date proposed to bring the service animal onto school property by completing a Request for Use of Service Animal. A service animal will not be permitted to be present with the student in the classroom without the prior written approval of the Executive Director of Student Services.

Exclusion of a Service Animal from School Property - The Dean may recommend to the Assistant Superintendent of Student Services or his/her designee a service animal be removed or excluded from District property, and District-sponsored programs, services and activities. If a service animal is excluded, the qualified student with a disability will

continue to be provided the opportunity to participate in educational programs, services, or activities of the District as required by law without having the service animal on District property or present at District-sponsored programs, services or activities.

Note: A complete copy of Oakland Schools Administrative Rule 7485-2 governing service animals is available by contacting the OSTC Main Office.

ACADEMIC CONDUCT

It is expected that students only submit their own original school work for credit. Academic misconduct occurs when a student submits work which is not his or her own.

- **Homework** – Copying the homework of another student and representing it as his or her own work violates this policy.
- **Closed Book Quizzes, Tests, and Assignments** – The completion of closed book quizzes, tests, and assignments are limited to the designated testing period with no unauthorized verbal or nonverbal communication or assistance such as looking at another student’s paper or having unauthorized material available for use including electronic devices, or securing test information from other students.
- **Open Book Tests** – Excluding the specific resources an instructor authorizes for use, the same rules governing closed book quizzes, tests, and assignments are applicable to open book tests.
- **Major Papers, Projects or Take Home Tests** – Plagiarism or the copying of information directly from other sources without proper citation is prohibited. Purchasing, borrowing, or obtaining materials and presenting it as the student’s own work is also prohibited. The instructor may authorize students to collaborate on assignments with appropriate guidelines.
- **Unauthorized Access** – Gaining unauthorized access to test materials by going into instructor files, looking through the instructor’s desk, using electronic means, or obtaining information from an individual who has taken a test previously is prohibited.
- **Other Situations** – Students who provide or receive unauthorized assistance through written, verbal or electronic means are in violation of this policy. A Student who shares his or her password or secures the password of another student to access the student’s work or materials is in violation of this policy.

STUDENT ATTENDANCE POLICY

All OSTC students are expected to be motivated and sincerely interested in developing their talents. OSTC staff's concern is with those students who choose to be absent regularly and frequently. Students who are frequently absent stifle their opportunity for development and limit their opportunity to gain skills and knowledge that may provide college credit, and career and employment advancement.

In keeping with the mandatory attendance laws of the State of Michigan, the expectations of employers who provide employment for students and our own beliefs about learning, it is our expectation that all students will attend school daily. Regular school attendance is the responsibility of the Parent and the student. Poor work habit evaluations may impact the student's grade.

Student Responsibilities

- Attend school daily and be punctual.
- Understand the importance of good attendance for successful program outcomes.
- Understand the importance of good attendance/punctuality for success in the workplace.
- Be responsible for any work missed.
- Produce any documentation necessary to verify an absence within 24 hours of the absence.

Parental responsibilities.

- Parent must contact OSTC Main Office within 24 hours of the absence, or provide written documentation stating the reason for each day of absence to OSTC Main Office on the day the student returns in order to have the absence verified.
- Partner with OSTC staff to encourage successful attendance and program outcomes.
- Be part of the intervention plan to improve attendance when necessary.
- Notify the OSTC Main Office of any changes in your contact information.

OSTC Responsibilities

- Notify Parents daily if their son/daughter has an unverified absence in excess of 30 minutes.
- Be committed to a proactive approach to improving student attendance by an intervention plan which includes Parents, student,

instructor, and member(s) of the Student Support Team when necessary.

- Provide an opportunity for students to make up work.

Attendance Success Plan

- Calls/contacts will be made to the Parent of any student who is marked unverified on any given day.
- Instructor and Student Support Team intervention will occur with students having excessive absences.
- Student Support Team will determine whether to meet with the student, counselor, and/or Parent to discuss the situation and initiate an Attendance Success Plan.
- Intervention will also occur when a student's attendance negatively affects their performance (e.g. revoke or suspend driving privilege).

Definition of Terms

Verified absence - For any absence to be classified as verified, the student's Parent must call OSTC within 24 hours of the absence or provide written documentation on the day that the student returns stating the reason for each day of absence.

Verified absences include: personal illness, family illness or family emergency, religious holidays, funerals, legal appearances, prearranged medical or dental appointments which cannot be scheduled outside of school hours.

Unverified absence - For any absence not authorized by OSTC or unconfirmed by Parent communication, the absence will be considered unverified.

Late arrivals/early departures - All students arriving late or departing early must sign in at the OSTC Main Office. Students missing more than 30 minutes of class will be charged with an unverified absence.

Exceptions: Extenuating circumstances approved by the Dean or Student Support Team member.

Student Early Dismissal Procedure

Students are to remain in their program/course/work area until they are dismissed by the instructor or the sounding of the bell. Students who have a need or wish to leave OSTC during class time must make a request in the OSTC Main Office.

Approval of the student's request shall comply with the Release of a Student during the school day policy and guidelines below.

Release of a Student During the School Day

In recognition of the District's obligation to Parents for the health, welfare and safety of students, Deans shall not release a student during the school day except in emergencies such as welfare and safety of the students, unforeseen weather/building conditions or to a student's lawful custodian as defined by state law. The identification of the student's Parent shall be verified to the satisfaction of the Dean. All written or verbal requests of the Parent shall be verified to the satisfaction of the Dean. The name, address and telephone number of the lawful custodian shall be entered on the permanent record of the student. Students of legal majority age may be released on their own request if the sending district has provided a copy of completed Parent release form signed by the Parent.

If one Parent has been awarded custody of the student in a divorce settlement, as verified by the court, the custodial Parent shall inform the Dean by furnishing, in writing, court documents establishing any limitations in the rights of the non-custodial Parent. Absent such notice, the District will presume that the student may be released into the care of either Parent. In the case of emergencies, a student may be released in accordance with the custodial Parent's instructions and in compliance with the facility's emergency plan.

No student who has a medical emergency that may be incapacitating can be released from OSTC without a person to accompany him/her.

Guidelines for Release of Student During the School Day

At the time of enrollment and admission to the OSTC, the Parent must complete the Student's Data Form that shall identify the student's legal name and the name, address and telephone number of the student's Parent(s).

Before releasing a student during the school day, the Dean, Campus Operations Supervisor or OSTC Main Office shall be responsible for the verification of the identity of any lawful custodian or any representative seeking release of a student.

No student shall be released from OSTC to anyone whose signature authorizing such custody is not on file in the OSTC Main Office.

Release of a student to Parent who has face-to-face contact with Dean

If a Parent, as indicated on the student's permanent record, is not recognized by sight, the Dean, Campus Operations Supervisor or OSTC Main Office shall require identification to his/her satisfaction before such release. If there is doubt, he/she may refuse to grant the release.

Written Note or Phone Request from Parent

In the case of a written or verbal authorization by a lawful custodian of record, the Dean shall verify to his/her satisfaction the message as being from the lawful custodian of record by a return phone call or any other means at his/her disposal. If there is doubt, he/she may refuse to grant the release.

If, in the granting of a release of a student, a change in the record of the student's lawful custodian(s) becomes apparent and is verified to the satisfaction of the Dean such change shall immediately be entered on the student's permanent record.

Leaving OSTC Without Authorization

Students leaving OSTC without approval/proper authorization as outlined above will be subjected to disciplinary action.

District-sponsored Student Clubs

All District-sponsored student organizations shall be curriculum related. Only students actually enrolled in and attending OSTC may participate in any District-sponsored Student clubs, co-curricular events

Membership in all student organizations shall be open to all students of OSTC without regard to sex, race, color, national origin, religion, height, weight, marital status; sexual orientation (subject to the limits of applicable law), age, or disability. All District-sponsored student organizations shall operate within a framework of state and federal law, Board policy and administrative rules and procedures. Persons who are not students admitted in accordance with Oakland Schools policies shall not be allowed membership in any District-sponsored student organization.

The Dean shall establish regulations for the operation of District-sponsored clubs. Such clubs shall operate for the welfare and in the best

interests of the students and the campus. District-sponsored clubs are those directly under the supervision of a campus employee. By way of limited example, a “District-sponsored, curriculum related student club or organization” would be those such as: Skills USA; Health Occupation Student Association (HOSA); Business Professional Association (BPA); Oakland County Competitive Robotics League (OCCRA); and For Inspiration and Recognition of Science and Technology (FIRST); or the like.

Every District-sponsored club must have an employee or employee sponsor appointed and approved by the Dean. All meeting times and places of the club must have the advance approval of the employee sponsor and the Dean, and the OSTC staff must be present at all meetings. Every District-sponsored club shall have on file in the OSTC Main Office a constitution, bylaws, or operating procedures approved by the Dean.

The Dean may deny requests for forming a District-sponsored club where the requirements of Board policy and administrative rules have not been met. When a request has been denied, the students shall be informed of the reasons for the denial.

The students may submit a written request to the Superintendent within ten (10) calendar days of the notice of denial for a review of the Dean’s decision. The Superintendent’s decision shall be final. The Student Code of Conduct and all other Board policies and administrative rules and regulations will be in full force and effect during all meetings or functions of any District-sponsored club.

Student Publications

The District reserves the right to prohibit the distribution of publications that are not protected by the right of free expression.

“District-Sponsored student publication” means any Publication which is composed, compiled, published, or distributed under the official supervision of an employee sponsor.

Students are exposed to diverse opinions on an infinite number of topics through the various mass media. Students who have facts and opinions should be allowed to express them in print as well as through oral communication. However, student writers must observe the same legal responsibilities as those imposed upon conventional newspapers and communication media. Thus, no student shall distribute on District property any student publication that:

1. Is obscene as to minors according to current legal definitions.
2. Is libelous according to current legal definitions.
3. Creates a material or a substantial disruption of the normal campus activity or the operation of the campus.

District-Sponsored student publications shall be under the supervision of the Dean. All material published in District-sponsored publications must have the prior approval of the Dean. The OSTC staff shall inform the Dean of any material that is contemplated for publication that may be controversial given the age of the student and the content involved. The final decision on content for District-sponsored student publications shall rest with the Superintendent.

STUDENT CODE OF CONDUCT

What Is a Student Code of Conduct?

It is very important that all students attending OSTC are given the opportunity to pursue a course of study in a safe, well-ordered environment free of any and all situations and misconduct that threatens the educational process. The Student Code of Conduct assures that all programs and activities of OSTC are administered and carried out in an appropriate and orderly fashion for the common good of all students, staff, visitors, partners, employees and Parents. The Student Code of Conduct applies, while students are attending classes on OSTC, to school property and vehicles (owned, leased or rented), travel on buses, at off-site training locations, at off-site sponsored activities, and to behavior which affects the safety and welfare of other students and staff as well as behavior off-campus that results in a substantial disruption of the school environment.

There are seven (7) behavior categories that can result in disciplinary action. What follows is a description of each disciplinary category, disciplinary actions and a definition of terms used in the disciplinary system.

DEFINITIONS - STUDENT DISCIPLINE ACTIONS

Instructor Disciplinary Actions

Discipline begins in the classroom. Therefore, the instructor will help the student change his or her behavior in a fair and reasonable manner.

Instructors have the authority to utilize various behavior management techniques to generate positive student behavior. Instructors are authorized to address incidents of minor misbehavior so long as such techniques do not violate Board policies, administrative rules and applicable law. Behavior management by an instructor may include: Student consultation, parent contact, not recommend student for employment, awards, or activities.

For all other conduct, the instructor must handle the matter in accordance with the Student Discipline Process.

Warning

This is a verbal or written notice to the student and Parent that is entered in the student's records.

Administrative Disciplinary Actions - Student Success Plan

This action requires the student and Parent agree to a written Student Success Plan ("Plan") designed to eliminate unacceptable behaviors and increase desirable behavior in accordance with the Code. The Plan will describe the violation, what happened as a result of the violation, and a set of actions by the student, Parent, sending district and OSTC staff to correct the problem. The Plan will be monitored for its effectiveness over a specified time period. Necessary modifications will be made. The Plan must be authorized by the Dean.

In-school Suspension

This action is the denial of the student access to a regular class or program for up to three (3) school days. The student is removed from class and assigned to a specific room where classroom assignments will be completed and monitored. An In-school suspension is authorized by the Dean or Student Support Specialist.

Short-term Suspension

A short-term suspension occurs when a student is temporarily removed from OSTC up to a maximum of ten (10) school days. During a short-term suspension, the student's right and privileges of attending school, including extracurricular activities are suspended. The Dean or Student Support Specialist may impose a short-term suspension immediately upon a student after notification to the Parent. The Dean may proceed with the suspension without affording a hearing to the student or Parent if the presence of the student endangers other persons or property or substantially disrupts, impedes or interferes with the operation of the District or OSTC.

- **Make-up Work** -Students are allowed to make-up work or tests for credit missed as a result of an in-school suspension or short-term suspension. It is the student's responsibility to take the initiative in arranging for make-up work and tests and completing these in a timely manner.

Long-Term Suspension

A long term suspension is when a student is removed from OSTC for more than ten (10) school days and fewer than sixty (60) school days. During a long-term suspension, the student's right and privileges of attending school, including extracurricular activities are suspended.

Oakland Schools will recommend to the student's sending district the expulsion of the student for the commission of a Category IV, V, VI or VII action. Should the student's sending district determine that the student's conduct does not violate state statutory law; Oakland Schools reserves the right to suspend the student from OSTC programs.

Should a suspension be imposed for a number of days exceeding the remaining days in a semester, the days remaining on the suspension will commence with the beginning of the next semester unless otherwise determined by the Superintendent.

- The student may be removed from OSTC pending an investigation and the outcome of the hearing conducted by the student's sending district

NOTE: If a student is suspended from the sending district, the student may also be suspended from the OSTC program. Although Oakland Schools is not responsible for disciplinary action taken by the sending district, Oakland Schools recognizes and supports such action when it occurs. Likewise, suspension from OSTC may also result in suspension from the sending district.

- **Make-up Work:** Students may not be permitted to make-up practical or work-site work for credit missed during a long-term suspension. A student may not be awarded credit for the semester(s) the student is on long-term suspension.

Expulsion

Expulsion of a student means that the student is excluded for sixty (60) or more school days from OSTC and all other student District programs. Oakland Schools will recommend to the student's sending district the expulsion of the student for the commission of a Category IV, V, VI or VII action. Should the student's sending district determine that the student's conduct does not violate state statutory law; Oakland Schools reserves the right to suspend the student from OSTC programs.

- The expulsion of students by action of the sending district may result in students being prevented from attending any other public school in the State of Michigan.
- Appropriate police and state agencies will be notified of any of the above actions.

Students Eligible for Services Under IDEIA or Section 504

A recommendation for disciplinary action shall consider whether a student with a disability is eligible for services under IDEIA or Section 504 and whether the student's alleged misconduct was a manifestation of the student's disability as provided under Federal and State law.

Disciplinary Factors

Violations of the Student Code of Conduct are subject to many disciplinary actions of which suspension and expulsion are the most severe.

Prior to suspending a student for any duration or expelling a student, the following seven (7) disciplinary factors ("Disciplinary Factors") will be taken into consideration for that individual student:

1. The student's age,
2. The disciplinary history,
3. Whether the student has a disability,
4. The seriousness of the violation or behavior
5. Whether the violation committed by the student threatened the safety of any student or staff member.
6. Whether the Restorative Practices will be used to address the

violation or behavior, and

7. Whether a lesser disciplinary consequence or intervention would properly address the violation or behavior.

Rebuttable Presumption

- **In-School and Short Term Suspension** - For a suspension of 10 or fewer days, there is no rebuttable presumption, but Oakland Schools shall consider the Disciplinary Factors.
- **Long Term Suspension and Expulsion** - Unless the violation relates to firearms, in the case of a long-term suspension or expulsion resulting from violations or behavior identified in Categories IV through VII, a rebuttable presumption exists that a suspension or expulsion is not justified unless the Superintendent or his/her designee can demonstrate that it considered each of the Disciplinary Factors. The method used for consideration of the Disciplinary Factors is at the sole discretion of the Superintendent.

Use of Restorative Practices

As outlined above, use of Restorative Practices will be considered before suspension or expulsion of any student. Use of Restorative Practices may be appropriate as an alternative to, or in addition to, a suspension or expulsion; it may also be appropriate for lesser violations of the Student Code of Conduct not rising to the level of a suspension or expulsion.

Restorative Practices will be the first consideration to re-mediate offenses such as, but not limited to, interpersonal conflicts, bullying, verbal and physical conflicts, theft, damage to property, class disruption, and harassment and cyber-bullying.

Restorative Practices may include victim-offender conferences (“Peer Mediation Circle”) facilitated by a Student Support Specialist. The purpose of the Peer Mediation Circle is to provide an opportunity to the offender to accept responsibility for the harm caused to those affected by the misconduct and to participate in setting consequences to repair the harm. Use of Peer Mediation Circle shall only be used when initiated by the student subjected to the violation. Peer Mediation Circle may not be appropriate in all circumstances such as complaints of harassment. Peer Mediation Circle shall adhere to Oakland Schools’ established protocol.

Due Process Procedure for Students and Parents

The Board recognizes the importance of safeguarding a student's constitutional rights, particularly in disciplinary proceedings. Oakland Schools adheres to what is termed legally as Due Process in administering the disciplinary policy. This simply means that the student is afforded the opportunity for a fair and reasonable determination of his or her case. The following procedures are followed to ensure due process in those cases where the student's behavior is or cannot be re-mediated in the classroom:

- The Instructor will make a referral to Dean or Student Support Specialist, describing the situation and what remedial attempts have been made.
- Occasionally, other OSTC staff will observe Student Code of Conduct violations outside of the classroom and will make a direct referral to Dean or Student Support Specialist.
- The referred student will meet with the Dean or Student Support Specialist and the circumstances or details will be reviewed (the Instructor may or may not be present).
- The student will have the opportunity to give an explanation and present evidence on his or her behalf.
- If a student is found to be in violation of the Student Code of Conduct, he or she will be informed of the consequences and/or action plan to address the violation. The Dean or Student Support Specialist will attempt to notify the Parent and the student's sending school of the action. Parents may request a meeting to discuss the decision to take action.
- The student may appeal disciplinary action taken by the Dean or Student Support Specialist to the Superintendent. Any request for an appeal must be made in writing within three (3) school days of the action that is being appealed. Upon the receipt of a request for an appeal, the Superintendent shall schedule a hearing, which shall comply with the minimum due process requirements.
- There shall be no appeal process beyond Oakland Schools for in-school or short-term suspension

Due Process Procedures for Suspensions and Expulsions

Oakland Schools will also adhere to additional due process procedures for disciplinary actions involving suspensions and expulsions.

In-school Suspension

When the student's conduct cannot be remedied in the classroom, the instructor will make a referral to the Dean describing the situation and what remedial attempts have been made. Occasionally, other OSTC staff will observe Student Code violations outside of the classroom and will make a direct referral to the Dean.

1. The referred student will meet with the Dean and the circumstances or details will be reviewed (the instructor may or may not be present, at the Dean's discretion). The student will have the opportunity to give an explanation and provide evidence on his/her behalf.
2. If a student is found to be in violation of the Student Code, he or she will be informed of the consequences and/or the action plan to address the violation.
3. The Dean will attempt to notify the Parent and the student's sending district of the action. The Dean will determine the need for a Parent conference. If, however, the Parent requests a conference, the Dean will honor this request.

Short-term Suspensions

No short-term suspension shall be imposed upon a student without giving the student oral or written notice of the charges, the disciplinary action being taken, the reason for the suspension, and an opportunity to respond. If feasible, the notice and hearing should precede the student's removal from the OSTC. If the student's presence poses a danger to persons or property or threatens to disrupt the academic process, prior notice of the hearing may not be feasible. In this case, a hearing should follow the student's removal from the OSTC as soon as possible.

The hearing may be conducted informally but shall include the following procedural due process requirements: (a) the rights of the student to be present at the hearing; (b) the right of the student to be informed of the charges; (c) the right of the student to be informed of the basis for the accusation, and (d) the right of the student to make statements in defense of the charges or accusations.

- There shall be no appeal process beyond the OSTC for in-school or short-term suspensions.

Long-term Suspension and Expulsion

When a student engages in conduct within Categories IV through VII, the Superintendent shall refer the student to their sending district with a recommendation for a hearing for long-term suspension or expulsion. Long-term suspension or expulsion will result in the permanent removal of a student from all programs. The Superintendent shall give a written notice of the recommendation for a long-term suspension or expulsion and the charges upon which the long-term suspension or expulsion recommendation is based to the student subject to long-term suspension or expulsion and to his or her Parent. Any notice of a recommendation for a long-term suspension or expulsion shall inform the student that he or she will be afforded an opportunity for a formal hearing with his or her sending district. Any appeal of the long-term suspension or expulsion shall also be the responsibility of the sending district.

Oakland Schools may participate in the student's long-term suspension or expulsion hearing conducted by the student's sending district.

Should the student's sending district determine a violation of the statutory policy did not occur, Oakland Schools reserves the right suspend the student from its programs. Oakland Schools' reservations of rights shall be included in the student's original long-term suspension or expulsion notice. Hearings and appeals for long-term suspension or expulsion shall conform to the following rules:

A written notice of any proposal for a long-term suspension or expulsion and the charges upon which the long-term suspension or expulsion is based shall be given to the student subject to long-term suspension or expulsion and to the Parents. Any notice of a proposed long-term suspension or expulsion shall state the time, date, and place that the student will be afforded an opportunity for a formal hearing before the Executive Director of Student Services. It shall also inform the student of the right to be represented by counsel, to produce witnesses, and submit evidence on his or her behalf, and to cross-examine any adult witnesses who may appear against him or her.

The hearing before the Executive Director of Student Services shall not be held later than ten (10) calendar days after the date of the notice.

Upon the conclusion of any Oakland Schools' formal hearing, which results in a long-term suspension or expulsion, the Executive Director of Student Services shall make a written report of the findings and results. The report shall be directed to the Superintendent and to the Dean and shall be open to the inspection of the student who is suspended or

expelled, and if the student has not attained eighteen (18) years of age, to the student's Parents and counsel.

Formal Hearing Procedure: Long-term Suspension and Expulsion

Any formal hearing provided shall be conducted in accordance with the following procedures:

1. The right of the student to have counsel of their own choice present and to receive the advice of counsel.
2. The right of the student's Parents to be present at the hearing.
3. The right of the student and his/her counsel, Parent to hear or read a full report of testimony of witnesses against the student.
4. The right of the student and his/her counsel to confront and cross-examine witnesses who appear in person at the hearing.
5. The right of the student to present his/her own witnesses.
6. The right of the student to testify in his/her own behalf and give reasons for his/her conduct.
7. The right of the student to have an orderly hearing.
8. The right of the student to a fair and impartial decision based on substantial evidence presented at the hearing.

Appeals of Long-term Suspensions

Any student or Parent of a student who has been suspended for a long-term or expelled may appeal to the Superintendent by filing a written notice of the appeal with the Superintendent within ten (10) calendar days after receiving written notice of the decision.

The student may present reasons the Superintendent should reverse or modify the long-term suspension or expulsion. The Executive Director of Student Services or Dean shall respond. The Superintendent shall have the right to question witnesses and review documents. The Superintendent may affirm, reverse or modify the long-term suspension or expulsion.

NOTE: if the student's conduct is severe enough to cause a substantial disruption to normal programs or if the student's conduct is judged to be dangerous to others, or there is evidence of illegal activity on the part of the student, then such a student may be removed from the program immediately until a formal hearing can be convened. The Parent will be notified to remove the student from the building. Law enforcement officials may also be notified to assist in the process.

Law Enforcement Agency Involvement

Law enforcement agencies shall be notified of all cases of student misconduct which are defined as criminal under the laws of the State of Michigan and federal law, as applicable.

For the safety of our school community, when the administration is informed by law enforcement of alleged student involvement, beyond the school day, in criminal activity including but not limited to, arson; drug or alcohol possession, distribution or use; or possession or use of weapons, the administration reserves the right to restrict the student's participation in school-related activities.

Seclusion and Restraint

The Board authorizes the use of emergency seclusion and emergency physical restraint ("Seclusion and Restraint") of students enrolled in a District student program as a last resort intervention consistent with State law. This authorization shall only extend to District employees as designated by the Superintendent. Please refer to [Oakland Schools Policy 8310 – Seclusion and Restraint](#).

Corporal Punishment

The use of corporal punishment in any form is strictly prohibited by law and the District.

No teacher, administrator, other employee or volunteer will subject a student to corporal punishment or condone the use of corporal punishment by any person under his/her supervision or control. Permission to administer corporal punishment will not be sought or accepted from any Parent.

An employee is authorized to use reasonable physical intervention when, in his or her professional judgment, the physical intervention is necessary to prevent a student from harming self, others or doing harm to property.

CAMPUS PROCEDURES

Field Trip Guidelines

Field trips are appropriate when they serve a reasonable educational objective. All field trips must be approved by the Superintendent and

the Dean. All overnight field trips must be approved in advance by the Superintendent and the Board. The Board prohibits one-to-one teacher-student ratio for all overnight field trips. The District shall assume the costs of required field trips that are directly related to the District's curriculum. Written Parental consent must be given prior to student participation in a field trip. No student will be allowed to participate in the field trip if the proper approval form is not received prior to the field trip. Any disciplinary problems will be reported to the Dean immediately upon returning to the OSTC for appropriate action.

Fundraising

Fundraising for school-related activities may be undertaken by students or instructors when the profit is to be used for educational purposes, but must not take place during instructional time. Fundraising projects occurring on an OSTC must be pre-approved by the Dean. Fundraising occurring off-District property or at any District-sponsored event must be pre-approved by the Superintendent or designee. No student is permitted to raise funds by selling on a door-to-door basis.

Fees, Fines and charges

OSTC staff is authorized to collect fees, fines, charges, and deposits. Each OSTC shall prepare and make available upon request a complete list of student fees, charges, deposits and fines.

Fee Schedule

At the beginning of each school year, Deans will distribute a schedule of fees, fines, charges and deposits to all students. OSTC Main Office shall be authorized to collect the fees, fines, charges and deposits. The schedule shall include:

1. A detailed list of all items for which a charge is to be collected.
2. The amount of such charges.
3. The date due.
4. Classifications of students exempt from the fee or charge.
5. A system for accounting for and disposing of such fees.
6. An appeal procedure to be used by students or Parents to claim exemption from paying the fees or charges.

Fees

The District may charge fees or deposits for:

1. Extracurricular activities on a pay to participate basis.
2. A reasonable and refundable deposit on textbooks to cover damages.
3. A reasonable and refundable locker fee.
4. District sponsored educational trips not directly related to the curriculum.
5. Summer school courses or programs not part of a scheduled year-round program.

The District shall not charge fees for:

1. Textbooks, workbooks, laboratory supplies, or other supplies necessary for participation in any instructional course.
2. Field trips required as part of a basic educational program or course.
3. Special safety equipment or protective clothing required for courses.

Fines

Students shall be notified in writing of any charges assigned to them and that failure to pay the fee, fine, or charge may result in sanctions until restitution is made. Opportunity shall be given for the student and/or Parent to meet with the Dean to discuss any fines or fees levied against the student. The District shall not withhold any student record because of nonpayment of fines or fees.

Care of Personal Property and Valuables

Students must exercise extreme caution in the handling of their personal property. It is recommended that uniforms, shoes, safety glasses, kits and other personal items belonging to the student be labeled with a permanent marker or engraved with the student's name for identification purposes. **Personal property should not be left unattended. OSTC is not responsible for students' personal property. Unnecessary amounts of money should not be brought to school.**

Any theft or attempt at theft or extortion should be reported to the OSTC Main Office immediately. While OSTC cannot assume financial responsibility for such losses, it is vitally concerned that student property be protected and that efforts will be made to stop such activities. Students carrying valuable items should take them to the OSTC Main Office for safe keeping during instructional time.

Visitors

All visitors to District facilities including OSTC must register at the OSTC Main Office upon entering and prior to leaving the District facility.

Procedures governing the entry of visitors on District property shall be posted conspicuously at the main entrance to each District facility or near the entrance to such facilities or property if there are no formal entrances.

The authority to prohibit the entry of any person to a District facility or to expel any person when there is reason to believe the presence of such person would be harmful to the good order of the District facility or the safety of students and employees shall be determined by the Superintendent and Dean. If an individual refuses to leave the District property or creates a disturbance, the Superintendent or Dean is authorized to contact local law enforcement. Loitering in and on District property is also prohibited.

The Dean is responsible for all visitor approval to OSTC.

Guidelines for Visitors to District Facilities and OSTC

All visitors must use the designated front entrance to enter and exit a District facility. If it is necessary for a visitor to use an entrance other than the front entrance, the visitor must be escorted by a District employee.

All visitors to the OSTC or facilities housing students must register with the OSTC Main Office and pick up a visitor's badge. The visitor's badge must be worn at all times. Upon leaving OSTC, all visitors must return their visitor's badge and sign out.

No person may see a student at an OSTC unless it is with the specific approval of the Dean. If an emergency situation requires that a student be called to the OSTC Main Office to meet with a visitor, an employee should be present during the meeting. A student is never to be permitted to leave the OSTC with anyone who is not clearly identified as his/her Parent(s) or an appropriately authorized person as established in the Release of Student during the School Day policy and guidelines.

Classroom Visits

Classroom visits need to be carefully planned so as not to be disruptive. Parent visits shall be scheduled with the instructor and the Dean. Classroom visits are intended to acquaint the Parent with instruction, programs, employees, operation, and/or the facility. Parents shall refrain from giving directions or making evaluations of employees or operating procedures during their visits. If a visit to an OSTC leaves a Parent with a concern, this concern should be discussed with the Dean or the Assistant Deputy Superintendent of Student Services.

Requirements for OSTC student visitors:

- Visitors must obtain prior approval from the Dean
- Visitors must be 14 years or older.
- Babies and toddlers are not permitted.
- Arrangements must be made at least three (3) days in advance.
- The visitor's sending school is not in session.

Parents are welcome to visit the classroom, but are asked to:

- Obtain prior approval from the Dean.
- Enter and leave the classroom as quietly as possible.
- Refrain from conversing with the students, instructor and/or instructional aides during class session.

Fire, tornado & school safety drills

Fire and tornado safety drills will be conducted during school. An intermittent alarm is used for fire drills. The public address system is used for tornado drills. Specific instructions will be provided prior to practice drills by the classroom instructor. In the event of a school safety threat, the Dean will be conducting "lock-down" drills so that students can quickly and safely find shelter within the school.

Illness

If a student wishes to leave OSTC due to illness, he/she MUST REPORT TO THE OSTC MAIN OFFICE and follow the SIGN-OUT PROCEDURE.

Accidents

In the case of an accident, no matter how minor, the student is responsible to report the accident to the instructor immediately. OSTC is responsible only for immediate first aid.

In the case of a serious accident or illness as determined by the Dean, Campus Operations Supervisor or the District employee in charge at the scene, emergency care will be given and Parent will be notified as soon as possible. Parent will then make a decision relative to the care of the injury or illness if time permits. If the Parent(s) cannot be reached, the family physician or alternate physician if permitted by Parents of the student should be notified if the information is available. Emergency first aid shall comply with the Emergency Plan developed by the District to cover such emergencies.

The District does not normally pay medical, hospital or ambulance bills incurred as a result of accidents to students except emergency situations approved solely by the Dean with written authorization from the Superintendent.

Accident reports will be completed for all injuries.

School Closing Procedure

Conditions, such as inclement weather, equipment failures and power outages may make it necessary to temporarily alter the operation of the District and/or its OSTC. Changes in District operations may involve late start or an early closing time of one or more OSTC.

In the event of a District or facility closure, students shall not report to their designated OSTC but may be required to report to their sending district as determined by the sending district. In the absence of such notification, students are required to report to their designated OSTC.

Students and Parents shall also be responsible for checking on OSTC closures using all Detroit area television channels as well as the following radio stations by 6:30 AM.

TV channels/Radio stations:

- WEXL-1340 AM

Change of Address/Telephone Number

Parent(s) and/or Students are to inform OSTC Main Office of any change of address and/or telephone number. This is necessary in providing assistance in job placement, follow-up reports, and emergency situations.

Telephone Usage and Acceptance of Messages

A student may use a phone in the main office with authorization for school related purposes. Students may be permitted to use a school phone at the discretion of OSTC staff.

Administration of Medication

The administration of medication is governed in Oakland Schools' Policy and Administrative Rule 8670 – Automated External Defibrillators (AEDs). In general, the administration of prescribed medication to a student during class time will be permitted only when failure to take such medicine would jeopardize the health of the student, or the student would not be able to attend school if the medicine was not made available during school hours. Before any medication is administered to any student, the Dean shall require the written prescription from the student's physician accompanied by the written request of the Parent. Only medication in its original container, labeled with the date of prescription, the time the medication is to be administered, the route of administration, student's name and the exact dosage will be administered. Students who require administration of an emergency medication may have such medication stored with the Dean. Students authorized in writing by Parents may self-administer medication or treatment.

Definitions

“Medication” includes both prescription and non-prescription medications including those taken by mouth, inhaler, injection, rectally, patch and application as drops to eye, ear or nose, or application to the skin.

“Self-administration” means that the student is able to consume or apply prescription and non-prescription medication in the manner directed by the physician without additional assistance or direction from District employees.

“Self-possession” means that a student may carry medication on his/her person to allow for immediate and self-determined administration.

Mandatory Disclosure of Medication

The safety of students and employees are paramount to the District. To provide a safe education and work environment, it is necessary to require the disclosure of medications taken by students enrolled in certain courses as medications may have certain side effects that may impact a student's ability to safely operate machinery, tools, instruments, equipment or other items. The Dean shall notify students and Parents of the District's policy at least bi-annually and provide a medication disclosure form prior to the commencement of each semester. Students must submit the completed medication disclosure form at the commencement of the Fall semester. If a student begins taking medication during the semester, the student shall disclose the use of the medication immediately after commencement of use or prescribed by a physician using the medication disclosure form. The information shall be maintained in a separate and confidential medication file for each student.

OSTC Administration of Medications – Prescription

Medication that must be taken by students at OSTC requires a written request from the Parent together with a written set of instructions from the physician prescribing the medicine. The student's name, the name of the medicine, the dosage, the specific time of administration, the expected duration of the treatment, possible side effects, and special instructions, shall be listed clearly by the doctor. This request is to be kept on file in the OSTC Main Office.

Any change in medication, dosage, or time of administration must be accompanied with a physician's written instructions and permission.

Parent shall immediately inform the District in writing if the medication is no longer required.

Storage and Access to Medications in OSTC

Only limited quantities of a prescription medication may be kept at the OSTC, and the Parent shall be solely responsible for any prescription refills.

A Parent's request/permission and a physician's instructions for administration of medications shall be renewed every campus year. No changes to medication dosage or time of administration will be made except by instruction from a physician. Medications must be claimed by Parent at the end of the school year. If this is not done, the employee who administers the medication will dispose of the medication and record this

disposal on the medication log. This procedure shall be witnessed and initialed by a second adult employee.

Student Self-administration of Medications

Upon the written request of the Parent, and with written instructions from the physician, and with the approval of the Dean students may self-possess a daily dosage of prescription medication for self-administration, unless the medication is a narcotic or a controlled substance, such as Ritalin, which must be dispensed through the OSTC Main office.

Students are not required to provide written authorization for non-prescription medication that they self-administer/self-possess. Any exception to this policy regarding student-self administration of medications must be pre-approved by the Superintendent in writing. Students are required to comply with mandatory disclosure of medication in accordance with this policy.

All self-possessed medications must be labeled and prepared by a pharmacy or pharmaceutical company and include the dosage and frequency of administration.

Self-possession and Self-administration

Students and Parent shall adhere to the following guidelines concerning the self-possession and self-administration of medications:

1. The student's Parent must submit a completed District permission form for prescribed medication, signed by the Parent(s) and the physician, giving permission to self-possess and self-administer, to the Dean.(Forms are not necessary for students who self-possess and self-administer non-prescription medication except as otherwise required in this policy and administrative rule). The form must be renewed annually, or more often, if necessary. Written instructions must include the student's name and phone number, physician's name and phone number, name of medication, dosage, time to be administered, form of medication, method of administration, restrictions and/or possible side effects, special handling instructions, duration of administration and the physician's instruction that the student may self-possess and self-administer the medication.
2. Medication shall be maintained exclusively and at all times under the student's control while in the school setting.
3. Students who receive authorization to self-administer their medication shall not convey, transfer, or otherwise distribute the

medication to other students; students who violate this conduct standard shall be subject to disciplinary penalties as specified in the Student Code of Conduct.

4. The Dean, at his/her sole discretion may discontinue the student self-possession/self-administration privilege if there is misuse following a consultation with the Parent. If a student is under an Individualized Educational Program (IEP) or a Section 504 Plan, the action must be taken in accordance with Individuals with Disabilities Education Act (IDEA) or Section 504 of the Rehabilitation Act requirements.

Any bio-hazardous wastes produced by the student in the process of self-administration are to be properly disposed of by the student in accordance with District procedures.

All necessary written permission forms detailed above for administration of medications must be obtained and filed by the Dean prior to possession, storage, or self-administration by a student.

Epinephrine Auto-Injectors (Epi-Pens)

A student may possess an epinephrine auto-injector (“epi-pen”) at an OSTC, on District-sponsored transportation, or at any activity, event, or program sponsored by the District or in which the student’s OSTC is participating, provided that:

- The student has written approval to possess and use the epi-pen from the student’s physician or other health care provider authorized by law to prescribe an epi-pen, and, if the student is a minor, from the student’s Parent.
- The Dean at the student’s Technical Campus has received a copy of each written approval required under subdivision (a) for the student.

Head Lice Policy

If a student is found to be infested with head lice, or to have nits, he/she will be sent home for treatment and a notification letter will be transmitted to the Parent. The student’s sending district shall be notified immediately. The student shall not be readmitted to the OSTC until the student/Parent

can show proof, acceptable to the Superintendent, of an approved treatment. The student must remain nit-free upon inspection at the OSTC. If the student is found to still have nits after returning to the OSTC, the Parent will be notified and the student will be sent home for nit removal.

Communicable Diseases

The District is committed to providing educational services in a safe and healthy environment. The identification, management and reporting of disease in the public school setting is required for the safety and welfare of students and employees, while also recognizing the rights and needs of the employee or student.

Whenever a physician has diagnosed an employee or student as having a communicable disease, the employee or student is expected to voluntarily report the diagnosis and nature of the disease to the Human Resources Department, or in the case of a student to the Dean . An employee or student with a communicable disease that is deemed a threat to public health by the Oakland County Health Division may be required to withdraw from active employment or OSTC for the duration of the illness in order to give maximum health protection to other employees and students.

All employees shall maintain the strictest confidence of an individual's status to the extent permitted without compromising the health and safety of other individuals. An employee or student with a communicable disease has all rights, privileges and services as provided by law and District policies.

It is the District's prerogative to require a physician's statement indicating the employee or student is free of the communicable disease and may return to work or school. As permitted by law, the District may require an examination by a physician of its choice at District expense to confirm freedom from the communicable disease of the individual wishing to return. The District will consider current recommended county, state and federal rules and guidelines on a case-by-case basis in reaching a decision regarding attendance at school or work.

In order to minimize the spread of communicable disease among employees and students, the District will refer all reportable communicable diseases to the Oakland County Health Division in accordance with Michigan statutory and administrative guidelines and will fully cooperate with the Oakland County Health Division to assist with adherence to the Michigan Public Health Code for the prevention, control, and containment of communicable diseases. The Superintendent shall

be responsible for determining the information, if any, to be disseminated to employees, students, Parents, and community when a communicable disease is identified.

A decision to close a District facility due to communicable disease outbreaks is at the discretion of the Superintendent.

Advance Notification of Pesticide Management

The District provides advance notice to parents in the event that a pesticide is being applied for the purpose of preventing or managing weeds or common indoor or outdoor pests, such as ants. The notice will include the area being treated, date of application, purpose and contact information. The notice will be placed on the entrance of the Campus being treated and the front page of the OSTC website.

Parents can also contact their school at any time to review the District's pest management program and records. Parents also can request a first-class mailing for a three-day advance notification of applications by contacting the Dean of their student's campus.

If a vendor or contractor employs the individual, the appropriate school official shall contact the appropriate official of the vendor or contractor to assist in the investigation. All efforts to contact the vendor, contractor and/or individual shall be documented in writing. The school official shall proceed to gather and collect available information including interviews of witnesses, if any. Further, the District shall take such action as necessary to exclude the individual from the District's premises and the matter shall be referred to law enforcement as permitted or required by law.

Interim Measures

Immunity

SCHOOL MESSAGING SYSTEM CONSENT FORM

Oakland Schools Technical Campuses utilizes an automated dialing system to send parents/guardians phone and text messages to provide you with important information about general information and/or emergencies. Emergency information may include school unexcused absences, cancellations, snow days, delayed start, fire, health risks, threats, or other school-related emergencies. General information may include reminders about important school events, absence notifications, parent conferences, or other parent reminders.

Due to recent changes to the Telephone Consumer Protection Act (TCPA), parents are now required to "opt in" to receive automated communication on their mobile device. This means parents must provide express consent to receive general messages through automated calls and SMS text message on their mobile device(s). Consent is not required if the call or text is for emergency purposes or if made directly from a dean, instructor or other staff member.

Please note that you may revoke consent to receive these messages at any time by providing written notice to Dean of the Technical Campus your student attends.

By signing this form, you are authorizing Oakland Schools to use an automated system to deliver general automated informational calls or text

messages to the phone number(s) provided to the District via my cellular device. I understand that emergency notifications are excluded from this permission and will be sent as normal. I also permit Oakland Schools to call or text any numbers I may provide to the school district in the future if my phone number changes. I agree that this consent will remain valid and I will continue to receive automated phone calls until I revoke my consent.
